

**SPREADS**

## **Rutherford & Meyer's Honey Plus™**

Shoppers looking for a healthy sweet spread will love Rutherford & Meyer's Honey Plus™ range of spreadable clover honey mixed with strawberries, cherries or apricots. A natural source of carbohydrate, Honey Plus™ helps to boost energy levels and kick-start any busy day. An all-natural product, there are no added flavours, colours or preservatives and it's also gluten free. The product is 70 percent pure fruit and honey and a good source of natural carbohydrate.
